Sub:- Guidelines for undertaking minor repair and maintenance works of residential schools and hostels – regarding.

Madam / Sir,

The Government in ST & SC Dev., M&BCW Deptt. is giving utmost priority to provide better residential facilities to boarder students studying in the residential schools and staying in hostels across the State .

As such, around 1700 schools and 6000 hostels are functioning under the administrative control of this Deptt.

Keeping in view of minor repair and maintenance of residential schools and hostels where urgent and immediate actions are required for the safety and well-being of the boarder students, the concerned Headmasters/Principals are hereby authorized to take up the said minor repair and maintenance works at their level by engaging locally available mason, carpenter, plumber, labourer, electrician etc. with following guidelines.

What is the Scope ?

1. The annual allocation for minor repair and maintenance of residential schools and hostels in their premises, shall be @Rs.1,00,000/- per Sevashram, Residential Sevashram, Ashram School, PVTG Edu Complex, Higher Secondary School & KMRS and Rs.2,00,000/- per High School, Girls High School and BPAV.
2. For the standalone hostels functioning in the schools of S&ME Deptt, the annual allocation for minor repair and maintenance shall be @Rs- 50,000/- per PSH, @Rs-1,00,000/- per 100 Seated hostel, @Rs-1,50,000/- per 200 and above seated hostel.
3. Funds released for minor and repair maintenance for the hostels functioning in the schools of S&ME Deptt should be spent only in the hostel building and its premises, not the school building or its premises.

Contd.

Who will decide ?

1. Funds shall be placed to the account of the Headmaster/Principal of the concerned school.
2. The School Staff Committee (SSC) consisting of the Headmaster/Principal and minimum two senior most teachers shall identify the minor repair works and suggest the Headmaster /Principal to take up such works. A proceeding is to be drawn quarterly for such works and approved by the Committee. Final decision on prioritising the works to be taken up, is to be made by the Committee through consultative process under the Chairpersonship of Head Master/Principal.

What work is allowed ?

4.

a. Minor Electrical Repairing:

- Replacement of damaged electrical bulbs and holders.
- Replacement of damaged electrical switch boards.
- Repairing of street lights.
- Repair of CCTV
- Repairing of fans and televisions etc.

b. Minor Repair of Water Supply System:

- Repairing of damaged motor pumps.
- Replacement of damaged taps, pipes and valves.
- Repair of aqua guards including replacement of candles.
- Repair of bore wells, tube wells etc.

c. Others:

- Minor repair and replacement of cooking utensils and LPG cooking chullah.
- Minor repair of cots.
- Minor repair of school and hostel doors, windows, toilets and bathrooms.
- Cleaning of Schools, Hostel buildings and premises (such as cleaning of cobwebs, special cleaning of classrooms, bush cutting, removal of waste/debris materials, maintenance of lawn/garden etc.)
- Cleaning of septic tanks & soak pits by using cesspool.
- Any other unforeseen and miscellaneous requirements for smooth functioning of the school and hostels.

Record Maintenance and Financial Guidelines

1. Office file shall be maintained financial year wise for such works. For example, all such minor works taken up in 2022-23 shall be dealt in one single file titled 'Minor Repair Works: 2022-23.' Information in the format prescribed below must be available in the file for easy reference.

SL No.	Name/nature of the work	Name of person through whom work executed	Payment claimed	Payment made (i.e. expenditure incurred)	Date of payment	Paid to (name and mobile no.)

Contd.

2. The ceiling of expenditure for such minor repair and maintenance work is fixed at Rs. 15,000/- (per occasion) with annual expenditure ceiling as per annual allocation as specified at SL No.- 1 & 2 above.

How to execute ?

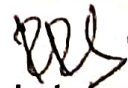

1. Since the expenditure limit for such works is fixed at Rs. 15,000/- per occasion; as per Finance Department O.M. No. 4939 dated 13.02.2012, there will be no requirement of tender or quotation for undertaking such works. Probable expenditure for such works shall be finalized by the School Staff Committee (SSC) through negotiation with the person concerned going by the local rate. For example, if wooden doors and windows are to be repaired, then a local carpenter should be contacted and the probable expenditure on account of the wage of the carpenter, helper (if any) and materials required for the repair work should be negotiated with the carpenter beforehand. After the work is done and duly certified by the SSC, payment should be released to the carpenter as per the negotiated rate within 7 days from the date of completion of the work and receipt as well as voucher shall be kept in the file. However, if less work or substandard work is done by the carpenter, then the SSC should take appropriate decision to deny the release of payment to the carpenter, fully or partly.
2. For undertaking such minor works, the usual procedures of Government engineering organizations such as preparation of estimate, tender/quotation to select executants, measurement/ check measurement of the works done etc. shall not be required. However, the SSC must be satisfied from a layman's perspective about the quantity and quality of work done before certifying for release of payment.

Review

1. The concerned WEOs, to guide and ensure that the funds released to the Headmasters/Principals is properly utilized.
2. Every quarter, the DWO /PA ITDA to review the utilisation of funds .
3. The major repair and maintenance, renovation, and new infrastructure for the schools and hostels shall be executed through ITDAs (in TSP areas) and Blocks (in non-TSP areas) following due codal procedures.

With this authorization to the Headmasters/Principals to take up minor repair and maintenance works, the Department expects that all schools and hostels will henceforth be well maintained without any dislocation.

Yours faithfully

Commissioner-cum-Secretary
